

Rockland Park Department
87 Linden St
Rockland, MA 02370

Meeting Minutes of Rockland Park Meeting on
Monday January 6, 2024

Meeting Started at 6:30 pm

Present at the meeting were Joe Reis, Richard Furlong, Brain Martin, Peter Ewell,

Motion by Brian M. to except minutes as written for December meeting and second by Joe R. voted passed by vote of 3 to 0

R. Furlong gave a permit update that as of today we have date for Rockland Day and request from REC Department for some of their scheduled events.

Joe R. gave an update on the shed project, and we are waiting on the electrician to finish the electrical work it was slowed down because National Grid permit had to be renewed.

We are waiting to hear from the fencing companies with updated pricing and additional bids.

We received updated pricing and track design. The next step is to schedule meeting with engineer to discuss cost and layout. The price for track is around 3 million dollars.

I will meet with Doug, Scott and Courtney to go over the budget for next year. We kept line-item numbers the same in the budget and we are asking for part-clerical help again this year. We are working on putting the new Track and Fencing in for Capital Planning.

We are working with Lori the HR director to set up first round of interviews this week and next week.

I talked to the wildland trust about Hartsuff Park, and he told me that the Conservation Restrictions have not been approved by the State. It has been two years since they were submitted for approval, he has meeting with the State in a few weeks and the two Rockland are on his list to talk about. He also said he would have to check to see what can be used to make trails ADA approved.

Meeting Adjourned at 8:00 pm

TOWN CLERK, ROCKLAND
