Subject: 320 plan sewer connection

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Please except this copy of the sewer connection for 320 Concord Street as a replacement for the one that was sent 11/6/2021. The original one that was sent does not show the connection in the street.
Please post on the town website so others see the replacement.

Thank you,
Sue

NOTE: How did Loughlin ever except this? According to the ordinance plans are required to be done professionally!!!!
