Debra,

As part of the Planning Board requirements, I conduct a test of the Swept Path Analysis with Ladder 1. I am not satisfied with the results, I will be doing some additional measurements and more attempts Friday.

Best

Tom

Good morning. Attached is a copy of the Agenda for Tuesday's ZBA hearing for Green Rock Cannabis. I'm also attaching a copy of the Interim As-Built Plan done by Bracken Engineering, Inc. on 6-15-22. There are other documents on the Town's website under the Current Projects section, including peer review and a letter from MDM Traffic Consultants, Inc. regarding sight lines. Please let me know if you have any questions or comments. Thank you and have a wonderful safe holiday weekend. Deb
