I would like to request a continuance please

Yes I would like to ask for a continuance for my hearing. Should we still call into the Zoom meeting tonight ? Do you happen to know when the next meeting might be held? Thank you for your quick responses this morning

Thank you

Good morning

Would we need to redo anything that we have done up to this point? Or do we just ask for a continuance and we wait for the net meeting where all parties can be present? Thank you
