ing This area of North Ave. Deering Sq-, South Douglas St and Tirrell Dr. is a quite neighborhood

all dogs bark for play dominance strangers

we own a dog ,when he starts barking, we attempt to bring him in as do others

Poop clean up 10 dogs plus will produce lots poop in a week your neighbors will love the summer aroma. If allowed to wash into ground bacteria it will end up in drainage ditch behind Deering sq into drainage pipe) under Deering sq to Toms Pond (ssnuring home) to Reed's pond to Hanover

If allowed The run or pen should have pine bushes and wooden fence to baffle the barking
the drop off times coincide with morning work traffic school buses and the same at end of day
will off street parking be available vs at curb and run in
dogs needs vary for timing so it will be in and out all day

if allowed this will encroach on home owners, residents to expect right of quite enjoyment
thank you Jerry Callahan
