To whom it may concern,

My name is Chrissy Burke. I live at 51 North Ave. I live in the apartment directly beside Brandon Little.

My bedroom & bathroom windows directly face the backyard where Brandon plays with the dogs daily. When Brandon said he was going to start a dog business. I will admit I was a little worried. I did not want to be smelling dog poop when I have my windows open, and I do prefer open windows instead of an air conditioner. I can tell you that I have never had an issue smelling anything to do with those dogs. I watch Brandon in the backyard with the dogs and he is picking up after them immediately. My son and I may go in the backyard and we have never had any issues with anything on the ground. Brandon is super respectful of everyone when it comes to the dogs. He's always checking to see if the dogs have bothered us in anyway. I have never had an issue. Honestly, 99% of the time. I don't even know he's got them over there.

I can tell you and anyone who knows me can tell you that I am not a dog person, I'm not an animal person, but dogs terrify me. Brandon gets those dogs behaving so well, I've never had an issue if we see them in the driveway. The dogs do not bother me and Brandon make sure of that.

Anyway, I was planning on being on the zoom meeting tonight and unfortunately, due to my flight schedule keeps changing I will not be able to be on it. I really wanted to make sure that I was heard, I mean, I am the closest to Brandon and the dogs.

I really love to see his dedication and the responsibility that he takes on and handles like he's been doing this for 20 years. You don't see this kind of discipline in a lot of kids in their early 20s, I would hate to see someone who is doing their best to succeed in life, have that taken away.

Thank you for reading this. I will not be available tonight due to flying, but I am available by phone or email at any other time.
